Local Coordinator : *Buangeun Khamsounsanga*

BACKGROUND :

In Laos, the direct help for poor families children education is not possible. In countryside, all families are poor. One way is to give the possibility to stimulate the attractiveness of school. Some Countryside schools in Laos needs building or total renovation and basic equipments like blackboards, chairs and tables. Garden and farm increase drastically the interest of the school.

Project Goal :

Financing school buildings upgrade (walls, doors, windows, equipments) with new classrooms for first level children, with activity room.

Objectives :

Ban Xaisom Boun Village, 186 families in 2004 and now 300 families (2009) : The first part of project, completed in 2008, includes Building , Sanitary, School Farm School Garden, Library.

Activities :

Application analysis, on field evaluation and consultation, Fundraising, Ordering construction materials and project management.

EVALUATION :

BUDGET : US \$ 12'000
